

What are the key ingredients and the benefits of drinking Hydro One Premium Beverages?

REV-d Blueberry Pomegranate: reversed osmosis water, xylitol, citric acid, fruit and vegetable juice (for color), natural flavors, xanthan gum, magnesium gluconate, ascorbic acid, vitamin E, pyridoxine hydrochloride (B6), thiamin mononitrate (B1), biotin, Cinnulin PF[®] (cinnamon extract), folic acid, rebiana (stevia extract), vitamin D-3, chromium picolinate, cyanocobalamin (B12)

REV-d Mango Passion Fruit: reversed osmosis water, xylitol, citric acid, fruit and vegetable juice (for color), natural flavors, xanthan gum, magnesium gluconate, ascorbic acid, vitamin E, pyridoxine hydrochloride (B6), thiamin mononitrate (B1), biotin, Cinnulin PF[®] (cinnamon extract), folic acid, rebiana (stevia extract), vitamin D-3, chromium picolinate, cyanocobalamin (B12)

REV -d Key Functions: We are two research scientists with a vision to change a culture dominated by sugar beverages. So, we created great tasting, all natural drinks with essential nutrients believed to help in the dietary management of diabetes. Rev-d is not only formulated to support diabetic health but it's made for anyone that wants to join the revolution to promote health and limit sugar consumption.

Rev-d line has no sugar, sodium, caffeine and carbohydrates. Chromium in Rev-d can aid in the lowering of blood pressure; Xylitol helps fight bacteria that create cavities and has a low glycemic index which ideal for individuals with diabetes; Cinnulin PF[®] is a pure form of cinnamon extract that can aid in the support of healthy glucose levels, body composition, blood pressure and antioxidant function. Rev-d has the exchange list for the meal planning by the American Diabetes Association and American Dietetic Association. Rev-d lines are also designed to be used as a meal replacement with 10 vitamins and minerals with no protein. Rev- d is diabetic friendly with only 5 calories per serving. This product is not intended to diagnose, treat, or cure disease. Drink 2-4 bottles a day for optimal results.

Cinnulin PF[®] is a registered trademark of Integrity Nutraceuticals

BÖDE Joint Health Hibiscus: reversed osmosis water, evaporated cane juice, d-glucosamine, citric acid, chondroitin sulfate, natural flavors, xanthan gum, calcium lactate gluconate, stevia, grape seed extract, ascorbic acid (vitamin C), alpha tocopheryl acetate (vitamin E), niacinamide (B3), d-calcium pantothenate (B5), vitamin B12, pyridoxine hydrochloride (B6), vitamin D3

BÖDE Joint Beverage Key Functions: BÖDE is the vision of two scientists to create all natural, low calorie beverages that provide nutrients to support joints, heart and memory. BÖDE Joint Health contains a full day's supply of glucosamine (1500mg.) and chondroitin sulfate (1200 mg) to maintain the flexibility and the fluidity of your joints. Joint Health also provides powerful antioxidants and nutrients such as calcium, vitamin E & D and grape seed extract to help combat free radicals that cause the body to age. And, at only 20 calories per serving, your body will love BÖDE. It is one of the most complete joint drinks on the market. This product is not intended to diagnose, treat or cure disease. Glucosamine and Chondroitin are derived from shellfish and other non-vegetarian sources.

BÖDE Memory Health: reversed osmosis water, agave nectar, passion fruit concentrate, citric acid, natural flavors, xanthan gum, magnesium lactate dihydrate, alpha-glycerol phosphoryl choline, D-ribose, boron citrate, phosphatidylserine, stevia, ginkgo biloba, ascorbic acid, alpha tocopheryl acetate (vitamin E), d-calcium pantothenate, vitamin B12, pyridoxine hydrochloride

BÖDE Memory Health Key Functions: Your memory needs nutrition to function properly. Two scientists had a vision to create all natural, low calorie beverages with nutrients specifically formulated for memory function. With nutrient support that includes alpha-gpc, ginkgo biloba and D-ribose you will have an elevated level of focus and concentration to help you meet life's daily challenges. And, at only 15 calories your mind and body will love BÖDE. This product is not intended to diagnose, treat, or cure disease.

BÖDE Heart Health: reversed osmosis water, evaporated cane juice, acai juice concentrate, d- ribose, citric acid, plant sterols, natural flavor, xanthan gum, stevia, magnesium lactate, grape seed extract, ascorbic acid, alpha tocopheryl acetate, niacinamide, d-calcium pantothenate, vitamin B12, folic acid, pyridoxine hydrochloride, vitamin D3

BÖDE Heart Health Key Functions: The heart is a muscle and like any muscle it needs nutrition for optimal performance. This motivated two scientists to create all natural BÖDE Heart Health. It is formulated with proven ingredients of plant sterols, grape seed extract, D-Ribose and nature's superfruit Acai. BÖDE Heart Health also contains powerful antioxidants to help combat free radicals that cause the body to age. And, at only 10 calories per serving your body will love BÖDE. This product is not intended to diagnose, treat, or cure disease.

FDA Claim:
